## When to give is truly life-changing....

The best gifts are those that leave the heart smiling for a long time. At the next special occasion - whether it's a birthday, anniversary, wedding or Eid, give any of your loved ones a gift he or she will never forget. Choose one of the Lady Fatemah Trust's 7 unique charity gifts - and give a Gift of Hope on behalf of a loved one, to a poor child, family or village.

This is your chance to make a real difference in the life of a needy child or family. You could cover the costs of cataract surgery and give someone the beautiful gift of sight or pay for a well that will give life to an entire village. No matter how much you give, one thing is for sure, your gift will be the answer to a desperate prayer for help.

Upon receiving your gift order, we will send you a personalised certificate of appreciation (either in your name or the name you specify) - thanking you for a gift that will change another's life forever.

## Borehole Well

Easy access to fresh clean water can give life, health and sustenance to an entire village. By gifting a well to a village, many can be saved an arduous journey of hours to obtain safe drinking water for their families. Not only can it remove the risks of water-borne diseases, it can be used for irrigation and farming, helping families to be more self-sufficient and increase their income. One well can bring life-long joy to hundreds.
